Personal Information	
Title	Dr.
Name	Steffen Petersen
Degree	MD
Country	United Kingdom
Affiliation	Barts Heart Center

Curriculum Vitae

Steffen Petersen is a Professor of Cardiovascular Medicine at William Harvey Research Institute, Queen Mary University of London and a Consultant Cardiologist at Barts Heart Centre, Barts Health NHS Trust. He is also the Cardiovascular Programme Director of UCLPartners Academic Medical Centre. He is President of the European Society of Cardiology's (ESC) European Association of Cardiovascular Imaging (EACVI). He is the academic Training Programme Director for medical specialities in London. He holds an MBChB and MDRES equivalent (Dr med.) from Johannes Gutenberg University Mainz, Germany, a DPHIL (OXON) from the Department of Cardiovascular Medicine, University of Oxford, an MPH from Harvard School of Public Health and an MSc from the London School of Economics. He is level 3 certified for cardiovascular magnetic resonance (CMR). He has been actively involved in cardiovascular magnetic resonance since 1998 and he reports over 1000 cardiac adult MRI scans each year. His research interests include clinical trials using cardiovascular magnetic resonance (CMR), cost-effectiveness analysis related to cardiac imaging and primary prevention, large scale population-based studies using CMR including AI approaches (UK Biobank cardiac imaging lead) and electronic health record research that incorporates cardiac imaging data.
